SERVICE

Jesus proclaimed to his disciples, "Whatever you did for one of the least brothers of mine, you did for me" (Matthew 25:40). During their high school years, students at Mount Michael Benedictine School strive to live out this Gospel message and encounter Christ in the hearts of those in most need. Students discover their gifts and the joy of giving as they embody the values of the Benedictine tradition within the Mount Michael community, in the Greater Omaha region, and beyond.

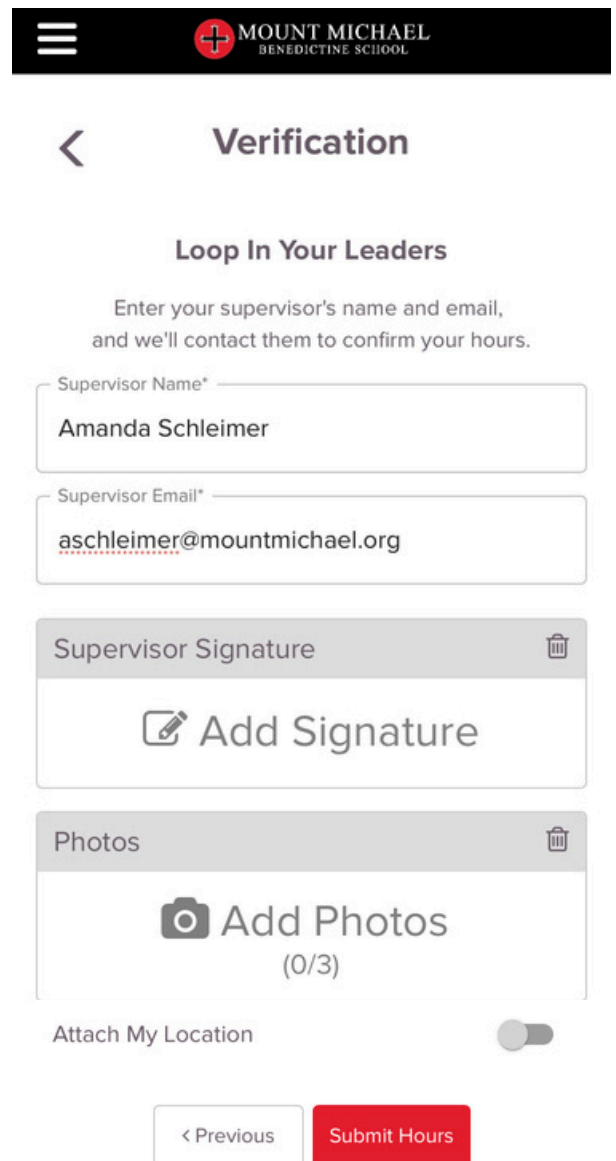

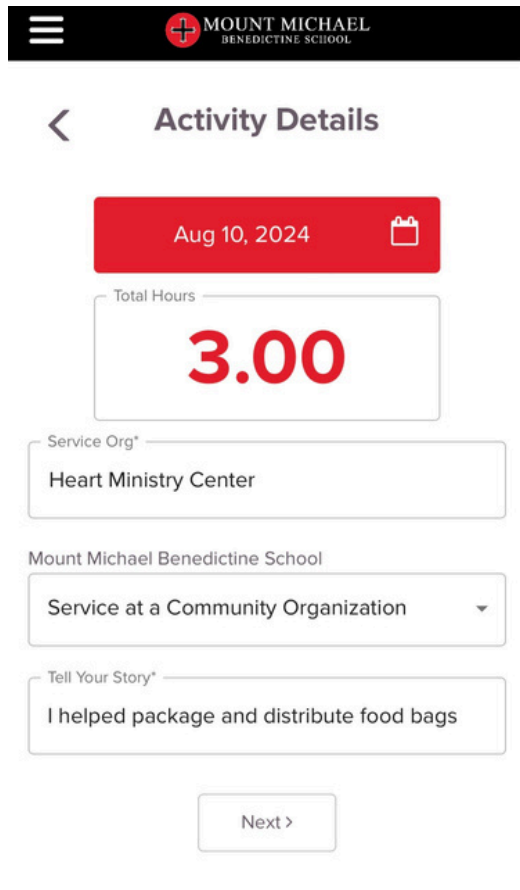

As it is written in the Rule of Saint Benedict, the students, faculty, and staff of Mount Michael, live out the Benedictine value of service by understanding that "No one is to pursue what is judged best for oneself, but instead, what is better for someone else" (RB 72:7). By giving of themselves through service, they draw closer to the heart of Jesus and closer to their brothers and sisters in Christ.

Mount Michael believes in the education of the whole person—physical, emotional, mental, and spiritual. We view our community service program as a tool for personal growth of the whole person. Thus, each Mount Michael student completes at least 100 hours of service by graduation. As a Benedictine Catholic school, Mount Michael actively fosters a culture of service to others, and community service is seen as an essential part of our mission to educate young men committed to excellence.
