

MOUNT MICHAEL BENEDICTINE SCHOOL

Featuring The David "DJ" Sokol Learning For Life Building

WEEKLY BULLETIN 03/23-03/29

1. A NOTE FROM DR. PETERS: Winter Storm! After several days of mild and warm weather, winter returned to campus this week. It resulted in heavy snows, strong winds and a disruption in power. OPPD may have suffered its worst outage ever. As of this writing, we are still waiting for the power to come back to campus. Our hope is that it will be on soon. I do want to thank Jim Lewis and our facilities and maintenance crew for all their work these past several days. At this point, there has been some tree damage and some minor structural damage.
